M.S.: PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

This application became abandoned on October 18, 2006, because of Appellants' failure to timely file a proper reply to the Office letter of June 6, 2005. Appellants did in fact file a response to the Office letter on July 6, 2005, via facsimile; however, due to clerical error, an incorrect Application Number was indicated on said response, so the document was not recorded at the Patent Office as a timely response in Application No. 09/692,350.

The entire delay in filing the required reply from the due date of the reply until the filing of this petition was unintentional (37 CFR § 1.137(b)(3)).

Because this application was filed after June 8, 1995, no terminal disclaimer is required.

The Commissioner is hereby authorized to charge the \$1,500.00 Petition Fee under 37 CFR § 1.17(m) to Dillon & Yudell LLP's Deposit Account **50-3083**. No additional fees are deemed required; however, should an additional fee be required to revive this application, please charge that or any other fees to Dillon & Yudell LLP's Deposit Account **50-3083**.

The required **RESPONSE TO NOTICE OF NON-COMPLIANT APPEAL BRIEF UNDER 37 C.F.R. § 41.37** is attached hereto.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'E. Isidore', is written over a horizontal line. The signature is stylized with a large loop and a trailing flourish.
